

The image shows the interior of a compact van converted into a living space. On the left, there is a wooden countertop with a stainless steel sink and a modern faucet. A small potted plant sits on the counter. The walls are white with light blue horizontal paneling. The ceiling is made of dark wood planks. On the right, a shower area is visible with white subway tiles and a silver showerhead. A large, semi-transparent white circle is overlaid in the center of the image, containing text.
