

The image shows the interior of a white van with a modern, beach-themed design. The walls are covered in white horizontal shiplap. On the left, there is a built-in wooden countertop with a light-colored wood finish. Below the countertop are white cabinets with black handles. A roll of paper towels is mounted on the wall above the counter. A light blue patterned cushion is visible on the left. In the center, a doorway leads to a bathroom with white subway tiles. On the right, another wooden countertop runs along the wall. A white hammock is suspended from the ceiling by wooden poles. Light blue curtains are visible in the background. The overall aesthetic is clean, bright, and coastal.
