

The image shows the interior of a custom van. In the foreground, there is a wooden countertop with a stainless steel sink. A black, flexible, gooseneck faucet is mounted on the counter. To the left, a window looks out onto a landscape. In the background, there are white cabinets and a doorway leading to another area with white subway tile walls. A light switch is visible on the wall to the right. A large, semi-transparent white circle is overlaid in the center of the image, containing text.
